## Parking

### **PARKING AT CALTECH**

- Please park at the parking structure off of California Blvd near Cahill. The parking structure is in region "B5" of [this map of Caltech](#), just South of Cahill, and is marked as "126."
- You need to buy and show a day (\$6) or week (\$18) pay-and-display ticket. There is a ticket machine near the top of the ramp down to the California structure and one at the SE corner of the first underground parking level. All spaces marked "commuter" or "student" are fine to use: these are mostly found on the second and third underground levels. Make sure you don't park in a space marked with a name in addition to a number on the curb, or one with an orange marker labeled "carpool." Parking enforcement issues Pasadena City parking citations in the Caltech lots.
- You should check with your hotel for parking there when not at the meeting.
